

Dec. 17, 2007

Brent,

I would like to personally thank you for your generous donation to the Lance Armstrong Foundation and for the incredible difference you are making for cancer survivors. We are honored that you have united with us as we make cancer a national priority.

If you should have any questions or would like further information about LAF, don't hesitate to contact me.

I wish you and yours a happy, healthy holiday season.

Thanks again!

Best,

Alan Knost
