

1. **NOVARA STOWABLE BIKE JACKET** // A featherweight, polyurethane-coated ripstop windbreaker that's silky soft, comes in great colors, and sheds weather. \$54; rei.com 2. **PEARL IZUMI SLICE GLOVES** // Low-profile gel pads under the knuckles and palms make these our favorite hand protection. \$30; pearlizumi.com 3. **TERRY ZERO X SADDLE** // If other saddles have rubbed you the wrong way, the Zero X will be a boon. Its interchangeable textured cover stops you from sliding and helps prevent chafing. 9 oz, \$120; terrybicycles.com 4. **SHEBEEST STRADA SEAMLESS BRA** // This one's soft, stretchy, and supportive, plus the scoop neck looks good without being too risqué. \$40; shebeest.com 5. **DESCENTE SPIRIT SHORTS** // The polka-dotted side panels may be whimsical, but the chamois pad is bomber enough for even the most serious riders. \$130; descentathletic.com 6. **SIDI GENIUS 5.5 CARBON COMPOSITE SHOES** // The ratcheting system snugs feet securely without creating pressure points. And thanks to ultrathin carbon composite in the soles, power transfer is off the charts. \$320; sidiusa.com 7. **TWIN SIX SPEEDY JERSEY** // The Speedy is road-ready with a retro attitude. \$70; twinsix.com 8. **SPECIALIZED PROPERO HELMET** // Deep channeled vents direct air for maximum cooling, and the head harness is easily adjustable on the fly. \$100; specialized.com
